

Dear Valued Customer,

Notification of Discontinued Sight Glass TS1 Model

Please be informed that we will discontinue the production of Sight Glass TS1 model.

Apologies for any inconvenience caused by product discontinuation.

Our Sight Glass TS1 model is currently under modification for product improvement and planning for model change. Due to this reason, an unexpected volume of orders are received and unable to keep continuing parts supply and production for TS1 products. Product development for new models is currently underway for aiming to commence sales in April 2025.

We thank you for your understanding and continuous support.
